Handmade style

Tile Crafts es un sistema modular de azulejos rústicos construido en torno a tres formatos versátiles que amplían las posibilidades de diseño y generan ritmos visuales dinámicos. Nacida de la esencia de The Tile Atelier —la filosofía creativa de Cevica— esta colección rinde homenaje a la belleza de la imperfección y a la maestría de la tradición cerámica.

Con su distintivo carácter artesanal, Tile Crafts permite crear una amplia variedad de composiciones con tan solo unos pocos formatos, transformando cada pared en un diseño verdaderamente personalizado. Es el punto donde la precisión modular se encuentra con la calidez del trabajo hecho a mano, ofreciendo las herramientas para diseñar espacios con una identidad cerámica única y auténtica.

Tile Crafts is a modular system of rustic tiles based on three combinable formats that multiply design options and visual rhythms. Born from the soul of The Tile Atelier—our creative philosophy at Cevica—this collection celebrates the beauty of imperfection and the mastery of ceramic tradition. With a distinctive handmade style, Tile Crafts allows you to create a wide variety of patterns with just a few formats, turning every wall into a fully bespoke composition. It is where modular precision meets the warmth of craftsmanship, giving you the tools to design spaces with a unique, artisanal character.
